

Do you want to save 5% on your Workers' Compensation cost?

The MSEA, ASA and Sisk & Company are co-sponsoring a workshop that will provide you with an overview of the Colorado Cost Containment program. At this seminar we will review the steps required to earn Colorado Cost Containment and then help you design your safety program and complete the necessary forms and basic programs required for Cost Containment Certification. This seminar is open to all Sisk and Company clients, MSEA members and ASA Workers' Compensation program participants.

If you want to learn more about the Cost Containment program, or have started working on Cost Containment and need some help, you need to attend this workshop. If you currently are Cost Containment certified by the State of Colorado, but would like to improve your program and have questions, you will benefit by attending this program.

By attending this seminar/workshop, you will complete the following:

- Overview of the 6 steps required for Cost Containment
- Customized cost containment materials
- Personalized advice in developing the program
- An implementation plan with schedule
- Samples of safety rules
- Electronic copies of your work
- Completed application

The seminar will be held at: **Pinnacle Assurance,
7501 E. Lowry Blvd., Denver, CO. 80230**

The date is: **February 10, 2010**

The time is: **8:30 AM to 10:30 AM with additional assistance available until 11:30 AM**
